SUPPORTING LOCAL SPORTS

With our support of local arts within the Prestonpans community well established we decided to extend our sponsorship to include sport.

We are now proud sponsors of Preston Athletic Football Club and Preston Village Cricket Team with sponsorship deals with Preston Athletic under 19's and 21's being supported in the near future. Their strips will be framed and will take pride of place in the James Fewell Bar

But some old traditions never die and so it is with great delight that we reintroduce DARTS back to the Goth and this time we shall make sure that the tiles are well looked after! We are gathering the masses of Prestonpans and vicinity for Mens' Darts on Monday nights and Ladies Darts on Tuesday nights.

If you are interested in joining the Goth Darts Team, contact Steven for more details.

HITTING THE NOTES

As our regulars will know, we are fast becoming a constant in the local music scene. At present we have live music every weekend with the lead nights a Friday and Saturday. The Goth wants to be seen as an extremely active player in promoting local talent in East Lothian, this is why we are looking for budding musicians who require a platform to voice their talents.

We are offering up the stage in the James Fewell Bar, to you! Our regular artists include Tam White, Jim Condie, Yard of Ale, Stevie Scott, Funkstar and Mike Whellans. North Sea Gas are making their debut at the Goth on Saturday 21 May, so be sure to make a date of it. All our music events are listed in our local newspapers and are available on our website www.prestoungrange.org/gothenburg

GRAIN AND GRAPES

Prestonpans Ales and wine are what we are cultivating here at the Goth. Our brewers George Thompson and Craig Allan have produced 3 brews that are permanently on tap in the James Fewell Bar, namely 80/-, 70/- and an IPA (suitable as an alternative to lager). For you beer enthusiasts we have BrewSets (the opportunity to brew your own ale and learn the secrets of brewing). BrewSets are great for presents or as excellent away-day or team building activities for clubs or corporate companies. BrewSets also lead onto "Meet the Brewer", where those of you that have brewed invite family and friends into the pub for a tasting of the 3 Fowlers Ales on sale at the bar as well your own brew. Invited guests are able to make a purchase of your brew to take home in 4 pint pottles or your personalized labelled bottles.

On the flip-side of this coin, Craig Allan is also our resident wine master and will be running a series of wine talks hosted by international wine

connoisseurs. Craig will also be holding "wine for beginners" evenings and wine tastings for those more advanced in their wine palette.

If you would like to register your interest in any of these events, email our brewers on headbrewer@prestoungrange.org or call Craig on 01875 819922.
