

Join The Prestoungrange Arts Festival!

By donating £2.50 or more to the Prestoungrange Arts Festival (a registered Scottish Charity) you thereby become a 'Member' of the PAFS and become eligible to Earn Rewards Points [called GothPoints], every time you personally make applicable purchases at The Prestoungrange Gothenburg. These GothPoints are available because The Prestoungrange Gothenburg also supports the Prestoungrange Arts Festival under what are known as The 1908 Gothenburg Principles which require surpluses above 5% pa must be Gift Aided back to the Charity.

GothPoints works like this:

You make your charitable donation. You complete the Membership Form attached here. The Prestoungrange Arts Festival issues you with its Membership card - which carries your own unique number. You then present your Membership card whenever you make applicable purchases at the Prestoungrange Gothenburg. You stay aware of your accumulated GothPoints points via the eReader at The Prestoungrange Gothenburg, or via the Internet. When you have sufficient GothPoints to spend you present your card to the staff member and the account is debited.

'Applicable' purchases

Not everything on sale at The Prestoungrange Gothenburg can earn GothPoints. The '1908 Gothenburg Principles' prohibit Incentives for the sale of alcohol or tobacco, so neither of those are applicable purchases, nor can accumulated GothPoints be redeemed against them.

Accordingly, the normal methods of accumulation and redemption will be with food and snacks purchases, non alcoholic drinks, teas, coffees, Arts Festival artefacts and BrewSet Registration Fees at Fowler's Brewery.

'Variable' GothPoints will be earned

The Prestoungrange Gothenburg will vary the number of GothPoints it awards for different days of the week [and as occasion demands different times of day]. Obviously, if you make your visit during quiet periods the GothPoints awarded are greater.

'Standard' Tariffs set for GothPoints are shown in the panel.

The Prestoungrange Gothenburg reserves the right to vary these in the light of Experience - which shall include 'time of day' variations - but if and when doing so will always give at least 2 weeks notice.

£100 Lucky Member Weekly - or the Luck Rolls Over

- (iii) who has already made a

purchase, or placed an order, prior to the time of the draw is announced that evening in excess of £2 for 'applicable' goods or services [even if the bill is not yet settled]. If the Member whose number is drawn cannot meet both the above conditions (ii) and (iii) then the £100 rolls over to the following week making £200 and so forth until such time as a Lucky Member meets all three criteria.

Alternatively the Winning Lucky Member can opt to take GothPoints worth £150/ £300 etc. on applicable future spending.

Redeeming or Spending Your GothPoints

GothPoints are valued at 1p Scots each. They can be redeemed only at The Prestoungrange Gothenburg. Members must present their Membership card and have sufficient GothPoints accumulated to make any given 'applicable' purchase. They cannot be used in part payment for a single item or service but of course if a Member is making multiple purchases one or more element can be separated out for the redemption. They may be used for participation in Fowler's Ales School of Brewing BrewSets and for the purchase of any artefacts or services offered by The Prestoungrange Arts Festival. However, redemption must be made by the Member personally presenting the Membership card – they cannot be given away – even if the beneficiary of the redemption is for another person which is allowable.
